

M. ISLAM MEDICAL & DENTAL COLLEGE GUJRANWALA

Curriculum Outcomes:

By the end of the MBBS curriculum, the graduates will be able to:

- ✓ Apply principles of health promotion and disease prevention at population level to the care of individual patients.
- ✓ Diagnose and manage acute medical and common, non-critical conditions independently.
- ✓ Demonstrate compassionate professional behavior and their professional responsibilities in making sure the fundamental needs of patients are addressed.
- ✓ Maintain confidentiality and respect patients' dignity and privacy.
- ✓ Recognize and acknowledge their own personal and professional limits and seek help from colleagues and supervisors when necessary, including when they feel that patient safety may be compromised.
- ✓ Communicate clearly, sensitively and effectively with patients, their relatives, and colleagues from medical and other professions.
- ✓ Provide immediate life support.
